

Creating Healthy Schools and Communities

1 INITIATIVE

Creating Healthy Schools and Communities (CHSC) is a five-year (2015-2020) public health initiative to reduce major risk factors of obesity, diabetes, and other chronic diseases in 85 high-need school districts and associated communities statewide. The **New York State Department of Health (NYSDOH)** has funded local organizations and county health departments. The goal is to implement multi-component evidence-based policies, place-based strategies, and promising practices to increase demand for and access to healthy, affordable foods and opportunities for daily physical activity for all New Yorkers. The **Obesity Prevention Center for Excellence (OPCE)**, led by **JSI Research & Training Institute, Inc. (JSI)** strengthens the CHSC Initiative's collective impact by providing technical assistance, training, resources, and a network to collaborate.

7 STRATEGIES

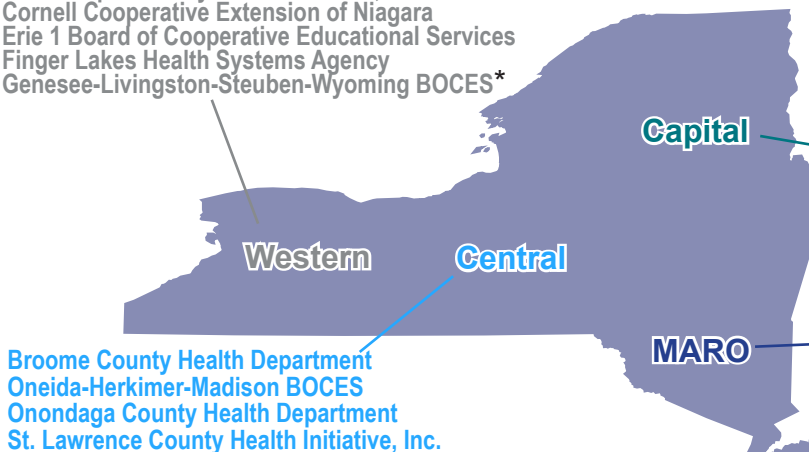

1. Revise, implement, and assess **local wellness policies** to improve the school environment.
2. Establish **Comprehensive School Physical Activity Programs (CSPAP)**.
3. Increase access to **healthy, affordable foods** and increase school districts' ability to meet federal **nutrition standards** for foods sold outside of school meals.
4. Restrict **food marketing** to children.
5. Increase access to **healthy, affordable foods** in communities.
6. Increase adoption and use of **food standards and procurement policies that increase healthy foods** in community sites and settings.
7. Adopt and implement Complete Streets policies, plans, and practices to increase access to **opportunities to walk, bike, and roll**.

26 GRANTEES

Chautauqua County Health Network, Inc.
Cornell Cooperative Extension of Niagara
Erie 1 Board of Cooperative Educational Services
Finger Lakes Health Systems Agency
Genesee-Livingston-Stauben-Wyoming BOCES*

With grant funding, JSI[^] and its partners (Alliance for a Healthier Generation, PedNet, University of Rochester, and Sasaki Associates) support the 25 grantees and their partners in CHSC efforts.
